Program Name: Quiz Competition and Sports Materials Distribution

Date: 23rd July, 2018

Venue: Paramananda Mission, Memari

No of Participants: 50

Swami Vivekananda Institute of Modern Science (SVIM) successfully organized an engaging event titled "Quiz Competition and Sports Materials Distribution" on 23rd July 2018. The event aimed to foster intellectual competition and promote sports activities among the participants, with collaborative support from CESC and Paramananda Mission, Memari. The event took place at the SWAMI VIVEKANANDA INSTITUTE OF MODERN SCIENCE campus, where an energetic and vibrant atmosphere was created to accommodate both the quiz competition and the distribution of sports materials.

The quiz competition, a highlight of the event, witnessed enthusiastic participation from students and participants from various schools and colleges. Teams showcased their knowledge in a diverse range of subjects, creating an intellectually stimulating environment. The questions were curated to challenge and inspire, covering topics from science and technology to literature and current affairs.

The winning teams were awarded certificates and trophies, recognizing their outstanding performance. The quiz competition not only tested knowledge but also promoted healthy competition and camaraderie among the participants.

In collaboration with CESC and Paramananda Mission, Memari, SVIM distributed sports materials to encourage physical fitness and well-being among the attendees. The distribution included equipment for various sports such as footballs, badminton rackets, cricket bats, and more.

The distribution of sports materials aimed to promote an active encourage sportsmanship among the participants. This initiative SWAMI VIVEKANANDA INSTITUTE OF MODERN SCIENCE's commitment to holistic development, emphasizing both academic excellence and physical well-being.

CESSC and Paramananda Mission, Memari, played a pivotal role in the success of the event by providing logistical support and contributing to the prize pool. Their collaboration added value to the initiative, enhancing the overall experience for the participants. The "Quiz Competition and Sports Materials Distribution" event organized by SWAMI VIVEKANANDA INSTITUTE OF MODERN SCIENCE, in collaboration with CESC and Paramananda Mission, Memari, was a resounding success. It not only celebrated intellectual prowess through the quiz competition but also contributed to the physical well-being on participants by distributing sports materials. The event served as a testament to SWAMI VIVEKANANDA INSTITUTE OF MODERN SCIENCE's commitment to fostering a well-rounded educational experience for its students and the wider community.

Program Name: Winter Garments Distribution among Sium Area People in Park Circus Area, Kolkata

Date: 3rd January, 2019

Venue: Seva Kendra

No of Participants:30

In a heartwarming effort to address the needs of the less fortunate during the winter season, Swami Vivekananda Institute of Modern Science (SVIM) organized an impactful event titled "Winter Garments Distribution" on 3rd January 2019. Collaborating with Seva Kendra and TCS, the initiative aimed to provide warmth and comfort to the residents of the slum areas in Park Circus, Kolkata. The distribution took place in the Park Circus area, strategically chosen to reach out to the vulnerable sections of the community residing in the slum areas. The SWAMI VIVEKANANDA INSTITUTE OF MODERN SCIENCE team, along with volunteers from Seva Kendra and TCS, ensured a well-organized setup for the distribution. The primary objective of the event was to alleviate the challenges faced by the underprivileged during the harsh winter months. SWAMI VIVEKANANDA INSTITUTE OF MODERN SCIENCE, in collaboration with Seva Kendra and TCS, sought to distribute winter garments, including blankets, sweaters, and shawls, to ensure the well-being and warmth of the slum area residents.

SVIM volunteers, along with the support of Seva Kendra and TCS, efficiently managed the distribution process. Carefully curated winter garments were handed out to individuals and families in need, ensuring that the warmth reached those who needed it the most.

The event fostered a sense of community and solidarity. SWAMI VIVEKANANDA INSTITUTE OF MODERN SCIENCE students and volunteers engaged with the slum area residents, listening to their stories and understanding their needs. This interaction not only added a personal touch to the event but also allowed SWAMI VIVEKANANDA INSTITUTE OF MODERN SCIENCE to gain insights into the challenges faced by the community. The recipients expressed gratitude for the thoughtful gesture, acknowledging the importance of the distributed winter garments in coping with the cold weather. The event made a significant impact, not only in providing physical warmth but also in fostering a sense of compassion and understanding.

Program Name: Road and Fire Safety Awareness Camp for the Street

Children

Date: 15th Feb,2019

Venue: Seva Kendra

No of Participants: 55

The event unfolded within the SWAMI VIVEKANANDA INSTITUTE OF MODERN SCIENCE premises, transformed into an interactive space where street children from the surrounding areas gathered to participate in the safety awareness camp. The collaboration with Seva Kendr and TCS played a crucial role in ensuring the event's success. SWAMI VIVEKANANDA INSTITUTE OF MODERN SCIENCE, in collaboration with Seva Kendr and TCS, conducted engaging sessions on road safety, emphasizing the importance of following traffic rules and staying vigilant while navigating the streets. Practical demonstrations, including the proper use of pedestrian crossings and the significance of wearing helmets, resonated well with the enthusiastic participants.

The camp also featured comprehensive for safety workshops, where SWAMI VIVEKANANDA INSTITUTE OF MODERN SCIENCE prevention measures of experts and TCS volunteers educated the children on fire. In a proactive initiative aimed at safeguarding the vulnerable street children, Swami Vivekananda Institute of Modern Science (SWAMI VIVEKANANDA INSTITUTE OF MODERN SCIENCE) organized an impactful event titled "Road and Fire Safety Awareness Camp" on 15th Feb 2019. Collaborating with Seva Kendr and TCS, the objective was to impart essential safety knowledge and skills to the street children in and around the institute's vicinity. and the correct procedures to follow in case of emergencies. The interactive nature of the workshops kept the young audience captivated, fostering a keen understanding of fire safety practices. Seva Kendr and TCS actively engaged with the street children, employing their resources and expertise to make the awareness camp informative and enjoyable. TCS volunteers brought innovative teaching aids, enhancing the learning experience and making the safety messages more accessible to the young audience.

To reinforce the theoretical knowledge gained during the sessions, practical drills were conducted. Street children actively participated in simulated road safety scenarios and fire evacuation exercises. The hands-on approach helped them initialize the safety lessons, empowering them with practical skills. SWAMI VIVEKANANDA INSTITUTE OF MODERN SCIENCE integrated interactive activities, such as quizzes and games, into the awareness camp to make learning enjoyable. Prizes and certificates were distributed to acknowledge the children's active participation and successful absorption of safety information.

Program Name: Better Food Day: Food Distribution: Slum Area Children

Date: 15th July, 2019

Venue: Seva Kendra

No of Participants: 25

In a compassionate effort to address the nutritional needs of underprivileged, Swami Vivekananda Institute of Modern Science (SWAMI VIVEKANANDA INSTITUTE OF MODERN SCIENCE) organized an event titled "Better Food Day: Food Distribution for Slum Area Children" on 15th July 2019. Collaborating with Seva Kendra and TCS, the initiative aimed to provide wholesome meals to children in the slum areas, emphasizing SWAMI VIVEKANANDA INSTITUTE OF MODERN SCIENCE's commitment to community welfare. The event unfolded between 1:30 PM and 3:30 PM, creating a warm and welcoming atmosphere within the SWAMI VIVEKANANDA INSTITUTE OF MODERN SCIENCE premises. The collaboration with Seva Kendra and TCS played a pivotal role in ensuring the success of this meaningful endeavour. SWAMI VIVEKANANDA INSTITUTE OF MODERN SCIENCE volunteers, along with enthusiastic participants from Seva Kendra and TCS, actively engaged in the distribution process. Nutrient-rich meals, carefully curated for the well-being of the children, were distributed to families in the slum areas. The collaborative effort extended beyond mere food distribution, as SWAMI VIVEKANANDA INSTITUTE OF MODERN SCIENCE organized interactive sessions on the importance of nutrition and maintaining a balanced diet. Health professionals from TCS offered insights and guidance on making healthier food choices, contributing to the overall well-being of the community. The event not only addressed immediate nutritional needs but also fostered a sense of community and care. SVIM volunteers interacted with the slum area residents, sharing moments of joy and creating a positive impact on the recipients.

Expressions of gratitude echoed through the event as families received the nourishing meals. The initiative resonated with the spirit of compassion and solidarity, showcasing the transformative potential of collective efforts in community outreach. Some pictures of the event. In conclusion, the "Better Food Day: Food Distribution for Slum Area Children" event organized by SWAMI VIVEKANANDA INSTITUTE OF MODERN SCIENCE, in collaboration with Seva Kendra and TCS, exemplified the institute's dedication to social responsibility. Beyond the distribution of meals, the event aimed to instil awareness about healthy eating practices, contributing to the long-term well-being of the community. The collaboration between educational institutions and corporate partners demonstrated the positive change that can be achieved when working together for a shared cause.

Program Name: Cloths Distribution During Winter

Date: 23rd September, 2019

Venue: Mallickpure

No of Participants: 50

On the 23rd September, 2019 from 2:30 PM to 5:00 PM, Swami Vivekananda Institute of Modern Science (SVIM) orchestrated a benevolent event titled "Clothes Distribution During Winter." The initiative unfolded within the welcoming confines of the college campus, demonstrating SVIM's commitment to social responsibility and community welfare. SVIM, recognizing the harsh winter conditions faced by many, embarked on a mission to provide warmth to those in need. The event focused on distributing winter clothing to individuals and families who were vulnerable to the chilling temperatures. The college campus served as an inclusive space to the distribution, with SVIM volunteers actively involved in coordinating the efforts. Donated clothes, ranging from sweaters and jackets to blankets, were thoughtfully awninged to cater to the diverse needs of the recipients.

The recipients expressed gratitude for the thoughtful gesture, acknowledging the warmth not only from the distributed clothes but also from the caring spirit behind the initiative. SVIM's commitment to social service and community welfare was evident in every interaction during the event. In conclusion, the "Clothes Distribution During Winter" event organized by SVIM was a testament to the institute's ethos of service and compassion. The distribution of winter clothing not only addressed a practical need but also exemplified the transformative power of collective efforts in creating a more inclusive and caring community. The event stood as a reminder of the positive change that educational institutions can bring to the lives of those they touch through thoughtful and community-centric initiatives.

Swami Vivekananda Institute of Modern Science is gearing up to contribute to the national cleanliness drive with the organization of a significant event titled "Swachh Bharat, 2K20." The event, scheduled for 15th March 2020, is slated to take place from 10:00 AM to 2:30 PM and is being organized in collaboration with the esteemed Indian Red Cross Society.

The primary objective of "Swachh Bharat, 2K20" is to instill a sense of civic responsibility and cleanliness among the institute's students, faculty, and staff. This aligns with the broader national goal of achieving a clean and hygienic environment under the Swachh Bharat Abhiyan initiative. The collaboration with the Indian Red Cross Society adds a valuable dimension to the event, leveraging their expertise and resources in humanitarian efforts. The event's schedule encompasses a range of activities aimed at promoting cleanliness and hygiene. Participants will engage in a campus-wide cleanliness drive, including the cleaning of common areas, classrooms, and surrounding spaces. Additionally, awareness sessions will be conducted to educate attendees about the importance of maintaining a clean and healthy environment, emphasizing its direct correlation with individual and community well-being. By fostering this collaborative effort, Swami Vivekananda Institute of Modern Science and the Indian Red Cross Society aim to create a lasting impact on the mindset of the participants, encouraging them to incorporate cleanliness practices into their daily lives. The event reflects the institute's commitment to social responsibility and community engagement, contributing to the larger vision of a cleaner and healthier nation.

Swami Vivekananda Institute of Modern Science proudly hosted the "Foundation of Campus Nursery 2K20" event on 14th Aug 2020, within the picturesque confines of the college campus. The initiative commenced at 10:30 AM, fostering an enriching atmosphere until 2:30 PM. This unique event was organized with the vision of establishing a campus nursery, symbolizing the institute's dedication to environmental sustainability and nurturing a green ecosystem within its premises. The foundation-laying ceremony marked the beginning of this noteworthy endeavour, and it was attended by enthusiastic students, faculty members, and staff. The event unfolded with an inaugural session that highlighted the significance of creating a campus nursery. The speakers emphasized how this initiative aligns with the institute's ethos of ecological responsibility, contributing to a healthier and aesthetically pleasing environment. Subsequently, participants were actively engaged in the foundation-laying process, symbolizing their commitment to the growth and prosperity of the campus nursery. A series of informative sessions were conducted throughout the event, covering topics such as the selection of plant species, proper nurturing techniques, and the anticipated benefits of the campus nursery. The Foundation of Campus Nursery 2K20 event successfully cultivated a sense of collective responsibility towards environmental conservation among the SVIM community. The collaboration of students, faculty, and staff showcased a shared commitment to fostering a green and sustainable campus.

Program Name: Food Ingredient Distribution to adopted Villages

Date: 24th Nov 2020

Venue: Howrah Santragachi

No of Participants:22

Swami Vivekananda Institute of Modern Science demonstrated its commitment to social responsibility by organizing a compassionate event, "Food Ingredient Distribution to Adopted Villages." The event, held on 24th Nov 2020, unfolded within the heart of the college campus, commencing at 12:30 PM and concluding at 4:30 PM. This initiative exemplifies the institute's dedication to extending support to the adopted villages, reflecting Swami Vivekananda's principles of service and compassion. The event aimed to provide essential food ingredients to communities in need, fostering a spirit of solidarity and shared well-being. The event commenced with a brief inaugural session, highlighting the significance of community outreach and the role that each participant played in making a positive impact. Faculty members, students, and Stafford forces to prepare packages containing a variety of essential food items, ensuring a diverse and nutritious contribution to the adopted villages. Participants were actively engaged in the distribution process, allowing for direct interaction with the beneficiaries. This not only facilitated the smooth flow of the event but also provided an opportunity for meaningful connections to be forged between the college community and the villages it supports. Throughout the event, organizers incorporated informational sessions, shedding light on the importance of sustainable community development and the positive ripple effects of such initiatives. This approach not only addressed immediate needs but also sought to empower the adopted villages for long-term self-sufficiency. "Food Ingredient Distribution to Adopted Villages" stands as a testament to SVIM's commitment to societal welfare. By orchestrating this event, the institute not only alleviated immediate concerns related to food security but also nurtured a sense of empathy and responsibility among its students and staff. As the event concluded, the echoes of shared camaraderie and a common purpose resonated within the college campus. SVIM, through this event, demonstrated that compassion and community support are integral elements of its educational philosophy, contributing to a more harmonious and interconnected society.

No of Participants: 96

Swami Vivekananda Institute of Modern Science embraced innovation and technological prowess by hosting an exciting event, the "internal Hackathon for Smart India Hackathon - 2022." The event unfolded within the dynamic setting of the college campus on the 30th of Jan 2022, spanning from 10:30 AM to 4:30 PM. This hackathon was a deterrent to the institute's commitment to fostering creativity, problem-solving, and technological advancement among its students. Aligned with the broader vision of the Smart India Hackathon, the event aimed to provide a platform for students to showcase their innovative solutions to real world challenges. The day kicked off with an invigorating inaugural session, setting the tone for a day of intense collaboration and problem-solving. Faculty mentors, industry experts, and participating students came together a stimulating environment for the hackathon. The hackathon not only showcased the technical prowess of the students but also provided a platform for them to interact with industry professionals and mentors, gaining valuable insights and guidance. It was a remarkable opportunity for participants to apply theoretical knowledge to practical scenarios and enhance their problem-solving skills. Throughout the day, the college campus with energy as teams collaborated, coded, and fine-honed their solutions. As the event drew to a close, each team presented their innovative solutions to a panel of judges, who evaluated the projects based on creativity, feasibility, and technical proficiency. The "internal Hackathon for Smart India Hackathon - 2022" served as a testament to SVIM's commitment to nurturing a culture of innovation and technological excellence. The success of the event was not only reflected in the ingenious solutions presented but also in the invaluable experience gained by the participating students. As the event concluded, the echoes of collaborative effort and technological enthusiasm lingered within the college campus, leaving an indelible mark on the participants and reaffirming the institute's dedication to preparing students for the challenges of the evolving technological landscape.

Report on Swachh Bharat - 2022 Program in Association with Indian Red Cross Society

On the 20th July 2022, SVIM collaborated with the Indian Red Cross Society to organize the "Swachh Bharat - 2022" program. The initiative aimed to install a sense of responsibility towards cleanliness and hygiene, aligning with the larger vision of the Swachh Bharat Abhiyan. The day-long program comprised a series of activities designed to promote awareness and active participation in maintaining cleanliness and sanitation.

1. cleanliness Drive: The participants actively engaged in a cleanliness drive within the SVIM campus. The drive included the cleaning of common areas, classrooms, and outdoor spaces. This hands-on activity emphasized the importance of personal responsibility in maintaining a clean environment.

3. Interactive Workshops: Participants took part in interactive workshops covering waste management, proper sanitation practices, and the role of technology in promoting cleanliness. The workshops encouraged active participation and allowed for the exchange of ideas among the participants.

2. Awareness Sessions: The program featured informative sessions on the significance of cleanliness and its impact on individual health and community well-being. Experts from the Indian Red Cross Society shared insights into the broader goals of the Swachh Bharat Abhiyan and how individuals can contribute to the initiative.

4. Distribution of Informational Materials: Pamphlets, brochures, and other informational materials were distributed to participants, providing practical tips on maintaining cleanliness in their daily lives and fostering a sense of community responsibility.

The Swachh Bharat - 2022 program witnessed the enthusiastic participation of 75 individuals from SVIM. The collaborative efforts between SVIM and the Indian Red Cross Society successfully raised awareness about the importance of cleanliness and hygiene. The hands-on activities, coupled with informative sessions, ensured a holistic approach to it stilling a sense of responsibility towards a cleaner and healthier environment. As participants left with a deeper understanding of their role in the Swachh Bharat Abhiyan, the program achieved its objective of fostering a culture of cleanliness and promoting the ideals of a Swachh Bharat. SVIM expresses gratitude to the Indian Red Cross Society for their partnership in making this program a meaningful and impactful initiative.

Program Name: Azadi Ka Amrit Mahotsav

Swami Vivekananda institute of Modern Science embraced the spirit of patriotism and cultural celebration by organizing a grand event titled 'Azadi Ka Amrit Mahotsav.' This momentous occasion unfolded within the vibrant college campus on the 23th of Feb 2023, from 10:00 AM to 5:00 PM, as the institute joined the nation in commemorating the 75th year of India's Independence.

The day commenced with a ceremonial flag hoisting, symbolizing the institute's deep respect for the sacrifices made by countless individuals during the struggle for independence. The event, marked by a sense of national pride, aimed to install a profound appreciation for India's rich cultural heritage and the journey towards freedom. A series of cultural programs, exhibitions, and patriotic performances were curated to pay homage to the diverse cultural tapestry of the nation. Students, faculty, and staff actively participated in activities such as traditional dance performances, patriotic song renditions, and exhibitions showcasing India historical milestones.

The event also featured enlightening talks and discussions, emphasizing the importance of preserving and cherishing the values that define the nation. Faculty members shared insights into India's freedom struggle, fostering a sense of gratitude and responsibility among the participants.

The collaborative efforts of students and staff in organizing and participating in the event were commendable, reflecting a shared commitment to honouring India's journey to independence. The institute's campus transformed into a hub of cultural exchange, unity, and patriotic fervour. The "Azadi Ka Amrit Mahotsav" concluded with a closing ceremony that echoed the sentiments of pride and unity. Participants left the event with a renewed appreciation for India's rich heritage and a commitment to contributing to the nation's progress.
