Memorandum of Understanding

This Memorandum of Understanding is entered on 6/9/2021 (“Effective Date”) by and between **Edunet Foundation** having its office at A-11- 1105, Arcadia South City 2, Gurgaon 122018, India (hereinafter referred to as “**Edunet**”); and,

Swami Vivekananda Institute of Science & Technology, Kolkata having its address Dakshin Gobindapur, P.S.- Sonarpur, Kolkata- 700145 (hereinafter referred to as “**Institution**”).

Whereas, Edunet is a non-profit organization with multiple programs, sponsored by government and corporate entities, that are offered free to learners across the education spectrum, including but not limited to **IBM Skills Build** (www.skillsbuild.org).

Whereas, Institution is a premier institution with the following details:

Established (year):	2008
Recognition, NAAC rating, ranking:	Approved by AICTE & Affiliated to MAKAUT & WBSCTE, “B”
Vision:	To emerge as a Centre of Academic Excellence in creating and disseminating knowledge and providing students a unique learning experience in Science, Technology in the light of Swamiji’s vision and providing students an environment for all round development, nurture them for a successful career as well as to contribute to the betterment of the society.

And whereas, the Parties seek to collaborate with each other to mutually complement their synergies and to jointly work on building capacity of learners through one or more of the programs managed by Edunet.

Now therefore, this **Memorandum of Understanding** (hereinafter called “**MOU**”)witnesses the following.

- 1. Term and termination:** This MOU is valid for an initial term of 5 years from the Effective Date. It can be extended by further periods, as agreed to by the Parties from time to time. Either Party may terminate this MOU by giving the other minimum 30 days’ notice. The MOU will be deemed terminated at the end of the notice period or after completing all ongoing activities so that the beneficiaries (learners and teachers) are not negatively impacted, whichever is later.
- 2. Non-binding nature of this MOU:** The MOU is not binding on either Party and each is working with the other out of sheer good-will and for the benefit of the learners.
- 3. Each Party is responsible for its own costs:** Both the Institution and Edunet will independently manage their cost towards fulfilment of obligations under this MOU.
- 4. Single Point of Contact (SPOC) for program co-ordination:** Both the Parties shall appoint a suitable person who will serve as a single of contact on all matters related to program rollout. Individual learners and teachers may be in touch with corresponding trainers, mentors, advisors and peers during program rollout but all matters related to the execution of this MOU shall reside with the SPOC.

5. **Society for Inclusive Education (SIE):** This is a student led initiative managed and supported by Edunet that seeks to provide ubiquitous high quality learning opportunities to underserved communities through government and private schools/colleges around India. The Institute will set up a chapter of Society for Inclusive Education on its campus. This chapter will make Edunet programs available to local underserved institutions and/or student communities through community work, classroom sessions, fund raisers to purchase equipment and free learning platforms. Office bearers will be chosen by the Institute in the first year. They may be either nominated or elected second years. The SIE chapter will have members from within the local student community who are willing contribute some time towards betterment of society. All members of SIE chapter at the Institution will be issued with appropriate certification that will help them meet their CAS/Community Work/SUPW requirements.
6. **Program Calendar:** The SPOCs from both Parties will work with their respective internal stakeholders to develop a calendar for the program(s) rollout at the start of every quarter. This calendar will then be synchronized and published for use by everyone.
7. **Responsibilities of Edunet and/or its program sponsors/partners:**
 - a. **Orientation sessions:** Edunet will conduct orientation sessions for learners and educators, at a mutually agreed schedule, to onboard them onto the program(s).
 - b. **Program materials:** Edunet will share all program materials with the institution and/or learners as required. All sharing will be online and/or through electronic media.
 - c. **Face to face, instructor led sessions:** For learners in the Tech Saksham Program, face to face ILT sessions will be organized on campus and will be delivered by Edunet Trainers to program beneficiaries
 - d. **Online instructor led sessions:** These sessions may take the form of webinars or mentoring workshops or technology bootcamps or innovation camps or career readiness workshops that will seek to assist learners in their career goals. These programs will be organized regular as per a regular calendar, published online and will be conducted by Edunet team members or programsponsors or external stakeholders as appropriate.
 - e. **Interaction with Industry experts:** Edunet will bring industry experts to the Institute to drive engagements with students through seminars/webinars or project mentorship.
 - f. **Online platform availability:** Online platforms for each of the programs of interest to the Institution will be made available to it. Links for these platforms will be made available to the Institution in a timely manner
 - g. **Assessments:** Edunet will conduct assessments, as required, for its programs prior to certification by Edunet and/or its industry partners and/or participating government agencies.
 - h. **For programs with career paths:** Edunet will provide linkages with local and regional industry, government and the local start-up ecosystem (incubators etc) that will help learners with gainful employment and/or entrepreneurial opportunities. Interactions will be encouraged in terms of classrooms sessions, workshops, internship opportunities, career opportunities and entrepreneurship opportunities.
 - i. **SIE support:** Edunet will support the SIE chapter in the Institute with all support required. A separate program manual and guidelines will be sent to the SPOC.

- j. **Updates:** Edunet will keep Institution management updated with the progress of the program(s)
8. Responsibilities of Institution:
- Learner identification:** Institute will identify learners, volunteers and instructors who may participate in one or more programs offered by Edunet.
 - Support with orientation sessions:** Institute will support Edunet conduct orientation sessions for all stakeholders.
 - Publication of program calendars and goals:** Institute will publish, on a quarterly basis, a program calendar for all its participants.
 - Support with computers labs and classrooms:** Institute will make its labs available to learners. It will make classrooms and/or audio-visual equipment available for face to face sessions, whenever required.
 - Support with attendance:** Institute will ensure that program participants enthusiastically participate in chosen programs, with minimum attendance as agreed between the Parties.
 - Support with assessments:** Institute will ensure that assessments carried onsite are proctored and professionally managed.
 - SIE chapter:** The Institute will support the SIE chapter, led by its students, to the extent possible.
 - No fees:** Institute will not charge any extra fees from learners for participation in Edunet programs.
9. The college or the students shall not have to pay anything for the training.
10. Edunet will not force to ensure some minimum number of students.
11. The MOU may be terminated any time by notice of one month from either side.

Dear Mr. Gupta,

Greetings from BOSCH !

We welcome you onboard for the Paramedics Program of BOSCH. We are delighted to have you as part of our journey of fulfilling the rural/urban skilling needs of the needy youth in the area of Healthcare.

About the Program:

Bosch in partnership with Apollo Medskills Limited plans to train certain no. of youth on paramedic's skills. This program is a direct response to Bosch's COVID commitment in India. This is a Bosch funded CSR program aimed at creating a pool of trainer paramedics in India. Your center has been selected to run the below course:

General Duty Assistant (GDA)

As part of this program we have identified key roles and responsibilities for your BRIDGE center in order to ensure smooth execution of the program.

Infrastructure Availability

To ensure successful delivery of training and the associated modules it will be essential for your BRIDGE center to fulfil the below infrastructure requirements.

1. A well-equipped class room with chairs and tables
2. Good Internet Access at the Center
3. Projector with Online Training facility
4. Computer Lab

Hospital Identification for On the Job Training

This program will be three months program with two months of the training in the classroom and one month of on-the-job training. The On-the-Job training will happen at a hospital/nursing home in your city/town. To facilitate an effective tie up, we request you to:

1. To suggest a hospital/nursing home for On the Job Training.
2. Support Hospitals in documentation and onboarding process.
3. Share hospital details and contact with BRIDGE co-ordinator.

Hospital Identification form has been attached for your reference.

Availability of BRIDGE (Soft Skill) Trainers at the Center

A soft skill trainer will be required to train the candidates for some parts of the course where soft skills training is required. It is expected

1. BRIDGE centers will recruit the soft skills trainers, if not already there.
2. Ensure that Training of the Trainer in consultation with BRIDGE Co-ordinator if not already done. Bosch will organize online TTT for such candidates.

Paramedic Domain Trainer

A domain specific trainer has to be identified and recruited on a freelance basis (only for running one batch) for the domain specific training at your center. You may suggest suitable candidates for the role of the domain trainer based on the course requirement. Details on domain trainer eligibility are attached.

Mobilization of Candidates

Mobilization is a first and a very important part of the program. It is at this juncture that we can ensure the success of the program through effective counselling and smooth planning.

1. Up to 20 candidates have to be mobilized for one batch of paramedical training at the respective centers.
2. The minimum qualification of the candidate should be as per course requirement. (10th/12th passed)
3. 20 candidates are mobilized by 29th Nov 2020. The actual cost of mobilization can be discussed and agreed with the BRIDGE co-ordinator for reimbursement before starting the mobilization process. Mobilization cost not agreed in writing before start of the mobilization process cannot be reimbursed.
4. Effective counselling of students in order to retain maximum students till the end of the batch. Maintain student database in system and related documentation,
5. The batch should be effectively start from 1st week of December 2020 and end by 1st week of March 2021 (including one month on the job training).
6. Candidate Application and on field enrolment form have been attached for your reference.

Health Insurance to all Students

In order to ensure safety of the students during these times, each student enrolled in the program should be given health insurance support. The BRIDGE co-ordinator shall organize this for the entire batch of 20 students (max) after the finalization of the admission list. BRIDGE centers to support the co-ordinators with the necessary documentation for completing this process.

Student Learning Material

Your BRIDGE center students will receive learning material (BRIDGE Kits), a separate domain specific skills training kit and a safety kit. Please check the schedule with your BRIDGE co-ordinator.

BOSCH

All-inclusive cost to complete one batch

Sheet

If found eligible, a onetime cost upto Rs. 2, 00,000 (Rs Two lac) can be reimbursed to your center (on submission of prescribed documents/vouchers) to cover the expenses to run and complete this one batch successfully. Please discuss with your BRIDGE co-ordinator for receiving this amount through Apollo Medskills.

Other Additional Information:

Procurement of COVID Safety Consumables

It is expected that all BRIDGE centers follow the COVID-19 protocols, ensure social distancing and wearing of mask all the time during the course. Apollo will dispatch COVID safety consumables to your respective centers to be used during the course duration. Please check with your BRIDGE co-ordinator in case the same has not been received.

Procurement of Lab Consumables

As per course requirement, it is understood that in the first two months of classroom training, there will be a requirement of certain lab consumables.

1. Apollo will send necessary lab consumable to your center.
2. In case of delay in support of books please contact your BRIDGE coordinator.

Thanking you and looking forward to a successful train batch in the center

Yours Sincerely
For Bosch Limited,

Dr. O. P. Goel

A. Five Strategic Behavioural Capabilities

1. Growth mindset
2. Career intelligence
3. Digital intelligence
4. Cultural intelligence
5. Influence

B. Skill mastery through Project-based Learning

The other strand of our Career Design approach is the focus on development of the students' technical skills through project-based learning. The students are evaluated as a team but also receive individual performance feedback through 360-degree evaluation from the Project Manager (Skills Mentor), Customer (Subject Matter Expert) and peers (Team members).

Learning methodology

The employability life learning experience combines Projects focused on technical skills and coaching for strategic behavioral skills, either running in sequence or in parallel depending on the setting. The students would receive the services based on the type of partnership undertaken by an institution.

Certification and Recognition

The employability life behavioural training model is endorsed by Institute of Leadership and Management, UK which is the largest global organization for HR professionals and leadership practitioners. All students completing the behavioural training program would receive an "Award of Recognition" from Digital Commonwealth, UK.

Confidentiality

Second Party must keep confidential the terms of the partnership and the matters contemplated by and including the program details, content, links contained within the confidential clause. Second Party must only use Employability Life Confidential Information to provide the Services and for no other purpose. All confidentiality obligations survive the termination of agreement.

Proprietary rights

Second Party acknowledge and agree that First Party and/or its licensors own all intellectual property rights in the Program/Platform and in documentation provided to Second Party. Except as expressly stated, these Terms do not grant Second Party any rights to, under or in, any patents, copyright, database right, trade secrets, trade names, trademarks (whether registered or unregistered), or any other rights or licenses in respect of the Program/Platform or in documentation provided to Second Party. Further nothing in this agreement will function to transfer First Party's Intellectual Property rights to the Second Party, and First Party will retain exclusive interest in and ownership of its Intellectual Property developed before this agreement or developed outside the scope of this agreement.

Indemnity

Second Party shall defend, indemnify, and hold harmless EMP against claims, actions, proceedings, losses, damages, expenses and costs (including without limitation court costs and reasonable legal fees) arising out of or in connection with Second Party's provision of the Services.

Memorandum Of Understanding

This Memorandum of Agreement establishes the guidelines for collaboration between Jobstop Solutions Private Limited and Swami Vivekananda Group of Colleges, in the delivery of internships to the students of Swami Vivekananda Group of Colleges from the online platform Internbazzr.com.

Agreement:

Swami Vivekananda Group of Colleges and Jobstop Solutions Private Limited hereby agree to work together to: Provide internships to the students of the aforementioned institution through the platform of Internbazzr as per the clauses stated below.

The company Jobstop Solutions Private Limited is hereby referred to as “Internbazzr” and the college Swami Vivekananda Group of Colleges is hereby referred to as the “institute/institution”.

Clauses:

- 1.1 Internbazzr will be the mediating platform that will be used as means to notify and/ or provide the students of the aforementioned institution to get opportunities for relevant internships posted on the website www.internbazzr.com
- 1.2 The students of the institute will be provided with only the opportunities by the companies that post their requirements on the aforementioned website in clause 1.1
- 1.3 The students are mandatorily required to register themselves on www.internbazzr.com and create their resume on the website using which they will be able to apply for the existing internships.
- 1.4 Internbazzr does not guarantee the recruitment of the candidates to the particular internships directly on applying to it. The company posting the requirement will be holding the rights to decide the recruitment of the candidate after primary screening through their evaluative HR process.
- 1.5 Internbazzr or the companies posting the internships do not charge a fee from the candidate for applying to or getting selected for a particular internship. If a candidate faces any such incident, they are requested to immediately report the issue to office@internbazzr.com
- 1.6 Internbazzr will be providing an unique referral code for the students of the institute which they must fill up correctly during their registration in order for Internbazzr to identify the students and boost their profiles to the recruiters seeking interns.
- 1.7 Internbazzr does not hold any responsibilities towards the operations or work pertaining to the inner functioning of a company under which a candidate is interning for after being recruited by the company.

1.8 Internbazz and the aforementioned institute will jointly identify and support reporting requirements of each organization.

To accomplish these objectives, Jobstop Solution Private Limited and Swami Vivekananda Group of Colleges will work in collaboration with respect to the clauses stated above to provide ample internship opportunities to the students of the institute.

The unique referral code for students of Swami Vivekananda Group of Colleges is **SVS10**.

The students must enter this code after registering to automatically boost their profiles to the recruiters once they apply for a certain internship.

Once signed by authorized officials of both groups, this MOU will begin from 23rd November, 2021.
