SVIMS Scholarship Policy

At Swami Vivekananda Institute of Modern Science (SVIMS), we are driven by a profound commitment to humanitarian values and equitable access to education. Recognizing the impact of financial constraints on academic pursuits, SVIMS is dedicated to providing robust financial aid and support to students facing economic distress. This Scholarship Policy serves as a cornerstone of our institution, embodying our mission to ensure that no student's academic journey is obstructed solely due to financial limitations.

Objectives:

- **Financial Assistance:** Our foremost objective is to extend financial aid and support to students from economically distressed backgrounds, enabling them to pursue their academic aspirations without financial constraints.
- **Equal Opportunity:** We strive to ensure that deserving students, regardless of their financial circumstances, have equal access to educational opportunities at SVIMS
- **Inclusivity and Diversity:** Through our scholarship program, we aim to foster an inclusive and diverse student community, reflecting our commitment to social equity and diversity.
- **Recognition of Academic Excellence:** We recognize and reward academic excellence and potential by providing scholarships to students who demonstrate outstanding academic achievements.

Eligibility Criteria:

- **Enrolment Status:** Applicants must be enrolled as full-time students at SVIMS
- **Financial Need:** Applicants must demonstrate financial need, which will be assessed by the dedicated scholarship cell.
- **Preference:** Preference may be given to students from economically distressed backgrounds, as well as those pursuing core branches of study.

Scholarship Determination:

The scholarship cell at SVIMS will conduct a comprehensive evaluation of applications, considering various factors such as the annual income of the student's family, the occupation of guardians, and other relevant socio-economic indicators. Utilizing a fair and transparent process, the scholarship cell will determine the amount of scholarship to be awarded to eligible students, ensuring equitable distribution of financial aid.

Types of Scholarships:

- **Institute Scholarship:** This scholarship is specifically designed for students from economically distressed backgrounds. The scholarship amount may range from 20% to 50%, and in exceptional cases, up to 75%.

- **Merit based Scholarship: Eligibility Criteria**

  - Enrolment Status: The student must be currently enrolled in the final year of their undergraduate or postgraduate program at the institution.
  - Project Criteria: The project must meet the following criteria:
  - Originality and Innovation: The project should demonstrate creative thinking and originality in its concept, design, or implementation.
  - Technical Complexity: The project should involve a significant level of technical complexity, showcasing the student's expertise in their field of study.
  - Practical Application: The project should have practical applications or potential for real-world impact, addressing relevant challenges or opportunities.
  - Completion and Presentation: The project must be completed within the designated timeframe and presented effectively, either during the final year project evaluation or at a Tech Fest event.

Confidentiality:

At SVIMS we prioritize the confidentiality of all information provided by applicants. Personal and financial details submitted as part of the scholarship application process will be treated with the utmost confidentiality by the scholarship cell. This information will only be used for the purpose of evaluating scholarship applications and will not be disclosed to any third party without the applicant's consent.

Conclusion:

The Scholarship Policy at SVIMS underscores our unwavering commitment to humanitarian values and equal access to education. Through our scholarship program, we endeavor to remove financial barriers and empower students from economically distressed backgrounds to pursue their academic dreams. By fostering inclusivity, diversity, and academic excellence, we aim to create a vibrant and equitable learning environment at SVIMS, where every student has the opportunity to thrive and succeed.

SVIMs Institute Merit Cum
Means Scholarship Scheme

Swami Vivekananda Institute of Modern Science lays strong emphasis on humanitarian values.

One of the Prime motto of the institute is to provide financial aid/support to the students of economically distressed background so that the academic career of students do not come to an abrupt end due to financial problems only.

The college has a dedicated scholarship cell to determine the amount of scholarship to be given to the eligible students based on the annual income of family, occupation of guardian etc.

Based on the findings and also as a general best practice motive students of mainly core branches are provided with "Institute Scholarship" ranging from 20% to 50 % and in some special cases upto 75%.
